Dear Cheryl Simas,

As holiday decorations begin to adorn the streets, I'm reminded that we're in the season of good will, when we open our hearts and our checkbooks and now our web browsers, to make year-end donations to support what we believe in. This year, I hope Lyon-Martin Health Services is in your heart and on your list.

If you've ever been cared for by a community clinic, or grateful that there is one that takes a leading role in caring for women, lesbian,

and transgender communities, or if you value the strong and persistent advocate that Lyon-Martin represents in improving the lives and livelihoods of our patients and our communities, please make a donation.

Whether you give \$10 or \$100 or \$1000 or more, your gift will have a very real effect on our work.

Your gift acknowledges that all people deserve a safe, warm and welcoming environment where they can get healthcare, a place that is unconditionally supportive, non-judgmental and down to earth, a place they can call their medical home.

Lyon-Martin's mission is to provide excellent healthcare to women and transgender people in a safe and compassionate environment with sensitivity to sexual and gender identity, regardless of ability to pay.

Join us in our mission. Make a donation today!

To your good health and good healthcare for all,

Dr. Dawn

P.S. Your gift is tax-deductible. Please give online at www.lyon-martin.org.

P.P.S. Help us reach others who would want to join this campaign. Share this message with friends, forward to your email lists or post on Facebook.
